General Preferences

Company name:

AskMe -2301

Name of this service:

AskMe Service -2302

The service name appears in e-mail notifications sent out to members, e.g. "Welcome to the <Acme AskMe service>"

Name of home page:

Home -2303

This text appears in the top horizontal bar and takes the user back to the home page of this service.

Tagline for this service:

Ask Real People -2304

The tagline appears in e-mail notifications sent out to members, e.g. "Answers from real Experts!"

E-mail address for outbound notifications:

AutoNotify@askme.com -2305

E-mail notifications to members are sent from the SMTP address specified above.

☒ Display company logo on the sidebar.

☒ Show link on every page, allowing users to contact administrators.

☒ Rating system:

Click here to enable the star rating system.

☒ Include disclaimer text:

Add disclaimer to the bottom of the page.

☒ Feature an expert's picture on the home page.

You can select experts based on the quantity and quality of answers given, and feature them on the home page.

☒ Allow a user to easily ask a question directly from the home page.

If this is on, users can start asking questions directly from the home page and search will be moved to the left sidebar.
Example subject: (comma separated) Communications or Data Transfer -2313

☒ Outlook Integration - Allow users to install a utility which integrates Outlook with this service.

Integrate Outlook with this service. Users will be able to install the integration utility from the "Experts Only" page.
